Year 11 GCSE Theme: Natural and Man Made objects.

Section A of your art core portfolio (A3 Experimental workbook)... inside Your workbook you MUST explore the 7 art elements by ...

- A:- Make sure you create a title page that clearly indicates which element you are focusing upon. Add the definition of each element below the title. Be creative with your lettering & the layout of your pages.
- B:- Investigating how different artists have explored the different art elements. Include with your visual imagery written information on the work and life of your chosen artists (Use handouts I issued you to help you with this task) Also refer to the BBC GCSE art Bite size website.
- C:- Explaining why you like the artists work.
- D:- Highlight the art element you are focusing upon by using and experiment with different art media, techniques and processes to record your observations from primary and secondary images. (Pencils, pens, chalk, oil pastel, chalk pastel, water colour paint and acrylic paint)

If you are copying images from the internet always add in the name of the artist and or photographer.

Remember this work is worth 50 Marks of your GCSE grade.

Failing to target the Assessment objectives will impact on your mark. So it is important to act on the targets given to you following an assessment.

It is important that you continue to work on your workbook pages at home to ensure you meet the deadlines. You must become more independent and take responsibility for your workbook.

Your workbook must be fully completed by the 24th of May (Art Mock).
